2009 Changes

Friday KOS – Young Guns class added. Ages 20 and under only.

Saturday Shootout Series - Heads Up (True 10.5", 8.5" Indexes (tba), & Real Street Bike), plus Wild Street ET that pays \$1,000 to win.

Sunday ET Series – Economy buster! Back to two halves of points. Time trials starting earlier, 9 AM. Street payout has increased to \$300 to win and now paying down to 1/8 finals. Entry fee is now \$40 instead of \$35. Top ET, we have lowered the minimum entries for full payout from 50 to 40. Entry fee has been raised to \$60. This should guarantee a full payout every race.

Top Sportsman/Top Dragster – (8.90 & faster) All run, cars to be laddered by closest ET every round.

Open Comp (weekends) All run, any ET, no delay boxes, and door cars only.
